THE GIFT OF NATURE

Celebrate the holidays and make a difference by supporting the Nature Trust's land conservation efforts with a symbolic gift. The gift recipient will receive a personalized certificate, Nature Trust notecards matching the theme of the gift you have chosen, and a letter highlighting the conservation work their gift will support. You will receive a tax receipt.

Make gift giving easy—we can ship your gifts to you or to the recipients! Call 902-425-5263 to order or use the enclosed order form.

ADOPT A BIRD

We are lucky to have a rich diversity of birds in Nova Scotia. Some with year round homes, and others who are seasonal visitors. By adopting a bird you are helping to preserve critical bird habitats in Nova Scotia.

\$75

ADOPT AN ACRE OF FOREST

Help protect the last of Nova Scotia's old growth forests, from rich floodplains and Acadian hardwood, to towering pine and hemlock forests. Your gift will help to ensure that our forests stay strong and thrive for future generations.

\$75

ADOPT A FROG

Frogs are much-loved, but fragile creatures who are sensitive to changes in habitat. They are a good indicator of healthy (and unhealthy) lakes, rivers and wetlands. Help to preserve their fresh water habitats by adopting a frog today.

\$50

ADOPT AN ACRE OF COASTAL LAND

What would Nova Scotia be without our spectacular shorelines? Our coastlines contribute to our way of life and provide critical habitats for many plants and animals. Help preserve these unique ecosystems, and ensure the shared enjoyment of our coast for generations to come, by adopting an acre for someone you love.

\$150

ADOPT AN ISLAND

Your symbolic island adoption will help keep the vast 100 Wild Islands coastal wilderness wild, forever. The ecologically diverse archipelago contains every habitat found on Nova Scotia's Atlantic coast, and provides a refuge for birds and other wildlife

\$200

ADOPT A TURTLE

As turtle numbers decline due to habitat loss, adopting a turtle will help us ensure that they will always have a place to call home.

\$100

AN IMPACTFUL DONATION

Donate today! Your special year-end donation will have a significant impact on the preservation of Nova Scotia's natural legacy. Renew your support, make a first-time gift, or join our monthly giving program to help save nature all year round! Donation form enclosed.

A Gift of Securities: You can make a significant donation without affecting your cash flow by donating securities like mutual funds or stocks. You receive a tax receipt for the full value and pay no capital gains tax.

Contact Barbara for details: (902) 425-5263.

THE NATURE SHOP
